About Us:

For more than 98 years the Hamburg Garden Club has carried the message of community in the efforts to beautify our environment, preserve our natural resources and keep alive the love of nature and gardening. At each meeting carefully planned programs are presented on a variety of subjects including horticulture, flower arranging, birding and conservation.

Just a few of the special things Hamburg Garden Club members participate in are:

- ❖ Civic projects include decorating the Theodore Roosevelt Site Victorian Christmas
- ❖ Maintaining gardens at the Hamburg Public Library and Veteran Blue Star Memorial Site
- ❖ Perennial plant sale benefiting World Gardening
- ❖ Volunteering at the Buffalo Botanical Gardens
- ❖ Belong to the Hamburg Village Beautification Committee
- ❖ Participating in the Erie County Fair's Standard Flower Show
- ❖ Provide Gardening instructions for Youth and Seniors
