

# Creative Floral Art Studio 2022

*EXPAND YOUR KNOWLEDGE!  
PRACTICE CREATIVE DESIGN TYPES!  
DELVE INTO THE ABSTRACT!*

*ADVANCE* your Design Expertise. District VIII Judges Council will show you how.

*SAVE THE DATES* for our Creative Floral Art Studio 2022.

This two-session program will be held on two Saturdays, September 24<sup>th</sup> and October 15<sup>th</sup>, 2022, from 9 am – 12 noon at Amherst Presbyterian Church located in Williamsville near Erie Community College North Campus.

*THE CREATIVE FLORAL ART STUDIO 2022* classes will focus on Creative Designs, including Illumiary Design and Abstract Design; two design types recognized in NGC Flower Shows. Illumiary Designs incorporate light/s as an integral part of the design. Abstract Design is considered an Advanced Design Type and explores the non-naturalistic realm using natural and other materials – a very creative study, indeed!

Containers, supplies, flowers, and expert guidance for both sessions will be included for one \$75.00 fee. Previous experience with any District VIII Flower Design Workshop is recommended.

*SPACE IS LIMITED*, so register today. We look forward to designing together again!
