7:00 pm at The Well, 995 Dodge Road, Getzville, NY

Interested in Joining Smallwood Garden Club?

Contact: Carol Lee Zimmer (716) 982-7507

The purpose of this non-profit club is: To promote, encourage, and foster an active interest in gardening, horticulture, floral design, civic beautification and conservation.

Club Civic Projects

- Conducting children's "Make & Take" programs at the Audubon Library
- Leading garden therapy at Beechwood Nursing Home
- Conducting adult community programs at Audubon Library and other locations
- Planting and maintenance of the entry and children's garden at Cornerstone Manor
- Providing floral arrangements and/or educational displays at the Eggertsville-Snyder and Audubon Libraries

Recent Programs

During our regular monthly meetings, we have educational and informational presentations on both Horticulture and Floral Design. Some of our recent programs included:

Dried Floral Talk and Techniques

Urban Community Forestry

A field trip to a flower farm

Discussion about Pawpaw trees

All Things Hydrangea

Plans for 2026 include a celebration of our 70th anniversary as a Garden Club and our biennial flower show.

Come and join our Circle of Friends!
