

# Frog Bag Procedure for Library

Dear Library Team,

Thank you for helping the youth of the community and their parents/grandparents/guardians learn more about gardening, growing flowers and vegetables and nature through the "Frog Bag" program, sponsored by The Schuylerville Garden Club.

## "Frog Bag" Procedure

1. Issue "Frog Bag" with the following items that have been selected for the season which will take place June, July and August.
  - a. *The Frightened Frog*
  - b. *The Ugly Vegetables*
  - c. Children's handouts: "Grow a Sunflower" & "My Seed Diary" with ribbon
  - d. Parent's handouts: *Garden Friendly Journal + Stop Ticks*
  - e. Supplies in plastic bag: 3 plastic cups, compost and seeds.
2. Remind borrower to return the books and "Frog Bag" only by the due date.  
The handouts and supplies are giveaways and theirs to keep.
3. When "Frog Bag" returns, check books in.
  - a. Replenish "Frog Bag" with:
    - i. the same 2 books
    - ii. prepared packet that will include items c, d and e above.
4. Notify one of the Schuylerville Garden Club contacts with any issues, or needs.

One of our garden club Family Outreach team members will check in every week or two to see how the process is going and problem-solve, if necessary. We tried to make it an easy process but we will certainly welcome any input or ideas you may have that will improve the effort. Perhaps you could suggest books from the library collection for the Fall and Winter seasons.

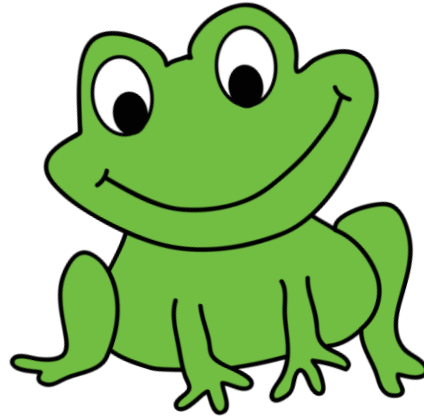

Thank you, again, for partnering with us on this exciting project.

Warm Regards,

Mary Anne Brown, Chair  
Family Outreach Committee
