followed by Business Meeting and Program  
at  
Nativity Lutheran Church  
970 East Main Street  
East Aurora, NY 14052

## Club Objective

To stimulate, create interest, and promote education on horticulture,  
the art of gardening, flower arranging, and environmental conservation;  
to promote beautification of surrounding areas.

## Upcoming Events

**Garden Certificate Sale** - May - October 2020

**Perennial Sale** - Saturday, May 23, 2020

## Ongoing Continuing Projects

**Arboretum** — Working with other organizations in the community, our Garden Club plants native trees at the arboretum at East Aurora High School.

**Blue Star Memorial Marker** — Our Garden Club continues to participate in the annual "Wreaths Across America" service by placing a wreath at the East Aurora VFW Blue Star Memorial Marker site.

**Christmas Project** — A local charity is chosen and members donate items to fulfill the needs expressed by the charity. The items collected are then delivered to the charity.

**Civic** — Members plant and provide weekly maintenance (including tilling, weeding and edging) of summer annuals and fall bulbs at the traffic circle and at the nearby pocket park in East Aurora.

**Conservation/Sinking Ponds** — Our Garden Club strives to protect, maintain, and beautify the environs of Sinking Ponds Preserve in East Aurora for the community.

**Millard Fillmore Gardens** — Seasonal weekly maintenance of period perennial and shade gardens which are open free to the public, and located at the Millard Fillmore House in East Aurora. Members of the Club decorate the house exterior at Christmas.

**Horticulture** — In May members receive a horticulture specimen to grow. The plants are critiqued in the fall for educational purposes.

**Scholarship** — Our Garden Club awards a \$1,000.00 scholarship annually to a qualified graduating senior from East Aurora, Iroquois or Holland Central High School, who has chosen to continue his/her education in agriculture, forestry, horticulture, landscape design, environmental science or a related field.
