

FOREST STREAM GARDEN CLUB

ORGANIZED MARCH 16, 1942

FEDERATED 1946

Fifty members

CLUB PURPOSE

To stimulate the interest of the members in gardening in all forms, to promote interest in the study and the decorative use of flowers as an art form to further civic beautification and to develop interest in and broaden the knowledge of conservation and to cultivate these interests in juniors.

Regular meeting:

3rd Thursday of the month at 7PM
Forest Elementary School
North Forest Road
Williamsville, New York 14221

Some of our club projects include:

Garden Therapy at Heathwood Health Care Center
Memorial Day Weekend Plant Sale
Theodore Roosevelt Site - members decorate a room or specific area at Christmas for the enjoyment of the community.
The Meeting House in Williamsville -
plant and maintain entrance gardens.
Decorate wreaths for the benefit of Children's Hospital
