Objectives

The Club's objectives are to encourage and educate members in the areas of gardening, horticulture, ecology, conservation, home and civic beautification.

About us: Our club was founded in 1958. We are a fun group of friendly members who enjoy varied garden related programs, workshops, field trips, and sharing our gardens.

Annual fundraiser: Chrysanthemum sale in early fall held at Trinity United Methodist Church on Grand Island.

Civic Beautification Project: we enjoy planting and maintaining the gardens at the Grand Island Library

Future programs include: a summer picnic, Herbs, Flowers and Folk Medicine, a holiday fresh floral arrangement workshop, making Origami Boxes, and Gardening Malpractices by local master gardener Peggy Koppman.
